

Wheel Charts

Status as of 3/12/2020.

Can't find your wheels? See earlier charts: <https://img2.associatedelectrics.com/pdf/WheelCharts-2020.03.pdf>

Consult these charts to see if our wheels fit your model. Tires are not taken under consideration. Click through to see wheel styling and catalog info.

Wheel diameter reflects the wall/lip diameter (where it exists), not the inside recessed diameter. (A 2.2" wheel would be 2 3/8" on this page.)

D = discontinued. **B** = Black. **C** = Chrome. **S** = Silver. **SS** = Satin Silver. **Y** = Fluorescent yellow. **Br** = Bronze. Wheels are natural color unless otherwise specified.
